Dear Parents & Students,
Greetings !!

We are delighted to inform you that our school has been invited to participate in the Dubai International Academy Model United Nations (DIAMUN) conference, which is the **largest THIMUN-affiliated conference** in MENA region.

The theme for this year is “**Catalyzing Global Cooperation For A Unified World.**” This conference will take place from the 21st February to 23rd February 2025 at **DIA - Dubai International Academy, Emirates Hills, Dubai**. The opening ceremony will be held on **20th of February 2025**.

The DIAMUN conference, organized by the Dubai International Academy MUN Team, is a prestigious international platform where students can enhance their Model United Nations (MUN) skills and gain valuable exposure. Participating in DIAMUN 2025 will not only provide our students with an opportunity to refine their skills further but will also expose them to a diverse and challenging international environment. This experience will also undoubtedly contribute to our students' personal and academic development, fostering skills such as diplomacy, public speaking, and critical thinking.
